## SPECIAL EVENT APPLICATION

Thank you for choosing to plan a special event within the City of Healdsburg. We are proud to be the venue for a wide range of special events each year.

### SPECIAL EVENT PERMIT PROCESS

Special events often involve a number of permits and other requirements to ensure the safety of the event and to minimize impacts on the surrounding community. To help facilitate the planning of special events within Healdsburg, the City has a Special Events Team. The Team's goal is to assist event organizers in planning safe and successful events.

A Special Event Permit is required for any event utilizing City parks, public streets or sidewalks, City buildings, other City facilities, or events on private property that may impact neighborhood parking or safety. Such activities include, but are not limited to: craft fairs, festivals, ceremonies, and other events. Special Event Permits are processed through the Parks & Recreation Department's Facilities & Events office and may require a meeting with the Special Events Team.

**1. TO BEGIN** the process, please complete and submit the Special Event Application packet (attached) to the City's Parks & Recreation Department. The information submitted in this packet will help the Special Events Team to determine which permits, conditions, or other requirements apply to your event:

- **A completed application packet must be received at least 90 days before the actual event.** The City review process may take up to 90 days and may include Parks and Recreation Commission and City Council approval. Incomplete applications will be returned to applicant. If any information on this application changes, or a new component is added, you must notify the City and receive approval for the change. Please keep in mind that acceptance of your application is the first step, **and should not be construed as approval or confirmation of your special event request.** Depending on the size and type of event and its potential impact on City services, a meeting with you and all affected departments may be scheduled. **Event applications submitted less than 90 days prior to the event may not be approved.**
- While we have tried to make this a "one-stop shop", please be aware that in some cases you may have to contact other agencies (county, state, or federal) for other relevant permits. See our "Planning Your Event" Guide for additional information

On behalf of the City of Healdsburg, we thank you for contributing to the spirit and vitality of our community through the staging of your event. Best wishes to a successful event.

## Insurance

As a condition of use of City of Healdsburg facilities or City programs, your organization must provide, at your sole expense, each of the following items as indicated:

Proof of insurance comprised of certificate of Insurance and original Policy Endorsement of **comprehensive general liability insurance** written by one or more responsible insurance companies licensed to do business in California. This coverage must:

1. Name the **City of Healdsburg, its officers, officials, caretakers, employees and volunteers** as additional insured by **endorsement** against liability for injury to persons, damages to property and for the death of a person or persons arising or resulting from any act or omission on the part of your organization, its agents or employees.
2. Include liability coverage for claims made by participants in your event/program. You are advised that any and all **exclusions** pertaining to athletic or recreational event/programs must be disclosed in the endorsement and failure to do so will not necessarily insulate your organization from individual liability for claims made as a result of the use of the facilities and your even/program.
3. Be **PRIMARY** insurance with respect to the additional insured named above. Any other insurance available to **The City of Healdsburg, its officers, officials, caretakers, employees and volunteers** be excess and noncontributing.
4. The comprehensive general liability insurance policy limits of such insurance shall not be less than **\$2,000,000 per occurrence for bodily injury, personal injury and property damage.**
  - a. Any deductible or self-insured retention must be identified and approved by the City. In the event the deductible is deemed to be too great, the City may require you to have your insurer eliminate the deductible or reduce it.
5. You must satisfy these requirements by furnishing the City with certificates of insurance and endorsements affecting the required coverage. The certificate and endorsements are to be on ISO-approved forms. The City will not accept a Certificate of Insurance alone as proof of insurance coverage. The City will not accept the wording listed in the box below in the Description of Operations box on the Certificate.

**The original endorsement must specifically list the following:**

**“The City of Healdsburg, its officers, officials, caretakers, employees and volunteers”** are additional insured against liability for injury to persons, damages to property and for the death of a person or persons arising or resulting from any act or omission on the part of your organization, its agents or employees.  
**This insurance is primary with respect to the additional insured** named above. Any other insurance available to **The City of Healdsburg, its officers, officials, caretakers, employees and volunteers** shall be excess and noncontributing.”

\*\*\*You are strongly urged to show this Notice of Conditions (including the precise working of these requirements) to your insurance agent or broker. Doing so will help you, your agent, and the City process the proper documents in a timely manner. You must provide the City with the endorsement 45 days prior to the start of your event/program. Each endorsement shall be subject to approval by the City of Healdsburg as to form and as to insurance company.

If you are not able to obtain this insurance, the City, through Hub International may be able to provide you with a quote for this coverage.

Please sign and return this original Notice of Conditions to indicate your receipt and understanding of each of the conditions listed above.
